State of Failure: Yasser Arafat, Mahmoud Abbas, and the ...

A 1973 United States Department of State document, declassified in 2006, concluded "The Khartoum operation was planned and carried out with the full knowledge and personal approval of Yasser Arafat." Arafat denied any involvement in the operation and insisted it was carried out independently by the Black September Organization. Israel claimed that Arafat was in ultimate control over these organizations and therefore had not abandoned terrorism.
