File Type PDF Sticker Books

Books : Target

This sticker book is one of the only sticker books my 6-year-old will play with. He usually doesn't like stickers but this one is challenging enough for him that he loves it! And my

File Type PDF Sticker Books

4-year-old likes
it as well but
it's a little
hard for him to
do on his own so
I help him which
I don't mind
because I love
it too.
