What is teaching and learning? Teaching is about using various activities to help learners gain the skills and understanding they need for a particular reason e.g. to gain a qualification or to perform a particular job role. You will teach, and your learners will learn. Learning is about gaining and using new knowledge to demonstrate a change. This change might relate to the performance of a skill, the demonstration of understanding and/or a change in behaviour and attitudes.

Teaching and learning - Ann Gravells Ltd (UK)

In direct definition, teaching is giving lessons about a particular subject to a group of learners. While learning is gaining knowledge by studying, being taught and experiencing. Many will assume that teaching is more important than learning, the truth is, learning is more important because it's the end goal of teaching.
