Great poetry calls into question everything. It dares us to break free from the safe strategies of the cautious mind. It opens us to pain and joy and delight. It amazes, startles, pierces, and transforms us. It can lead to communion and grace. Through the voices of ten inspiring poets and his own reflections, the author of Sacred America shows how poetry illuminates the eternal feelings and desires that stir the human heart and soul. These poems explore such universal themes as the awakening of wonder, the longing for love, the wisdom of dreams, and the courage required to live an authentic life. In thoughtful commentary on each work, Housden offers glimpses into his personal spiritual journey and invites readers to contemplate the significance of the poet's message in their own lives. In Ten Poems to Change Your Life, Roger Housden shows how these astonishing poems can inspire you to live what you always knew in your bones but never had the words for. "The Journey" by Mary Oliver "Last Night as I Was Sleeping" by Antonio Machado "Song of Myself" by Walt Whitman "Zero Circle" by Rumi "The Time Before Death" by Kabir "Ode to My Socks" by Pablo Neruda "Last Gods" by Galway Kinnell "For the Anniversary of My Death" by W. S. Merwin "Love After Love" by Derek Walcott "The Dark Night" by St. John of the Cross

The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. Milk and Honey takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look.

'The title is Search Party – the idea being that we're all out here looking for something, and my poems are my way of finding myself.' A young black poet blending spoken word and rap; an inner city upbringing with a Cambridge education; a social consciousness with a satirical wit and infectious rhythm – George The Poet is the voice of a new generation. Search Party is a thought-provoking and deeply autobiographical collection. From the overtly political 'Go Home' to the deeply personal 'Full-time'; the narrative poems that offer vivid and unapologetic snapshots of inner-city life, such as 'His Mistakes', 'Believer' and the anthemic 'My City'; to the provocative social commentary in 'Lazy Dog' and 'YOLO'; to the inspiring, idea-driven pieces such as 'The Power of Collaboration' and 'School Blues', George takes poetry into new territories and to new audiences, offering a different way to talk about the things that matter, to explore his own experience and ideas, and encourage others explore theirs. George The Poet's mesmerising and unforgettable live performances have earned him critical acclaim. From sell-out headline gigs and YouTube hits, to recording his own music, and now his first collection of poetry, George uses his work to speak truth to power and challenge our preconceived ideas about the society we're living in. Whether you're searching for yourself, for answers, for change – join the search party.

The poems of How to Fly (in Ten Thousand Easy Lessons) find breath and lightness in the common business of living. Barbara Kingsolver's generous collection is divided into thematic sections that loop and interweave to form a carefully patterned whole: a series of 'How to' poems that smartly balance tongue-in-cheek pragmatism with revelatory wisdom, a complicated yet affirmative family pilgrimage to Italy, cherished childhood memories, the perils and pleasures of being a [female] writer, elegies to lost loved ones, and elegies to the planet. Blending resourcefulness and wonder with all the compassionate humanity of her prose, How to Fly will both delight Kingsolver's devoted readership and welcome a host of new readers to her startling verse, while revealing an intimate side to her creative practice as yet unseen.

A new book of poetry from internationally acclaimed, award-winning and bestselling author Margaret Atwood In Dearly, Margaret Atwood's first collection of poetry in over a decade, Atwood addresses themes such as love, loss, the passage of time, the nature of nature and - zombies. Her new poetry is introspective and personal in tone, but wide-ranging in topic. In poem after poem, she casts her unique imagination and unyielding, observant eye over the landscape of a life carefully and intuitively lived. While many are familiar with Margaret Atwood's fiction—including her groundbreaking and bestselling novels The Handmaid's Tale, The Testaments, Oryx and Crake, among others—she has, from the beginning of her career, been one of our most significant contemporary poets. And she is one of the very few writers equally accomplished in fiction and poetry. This collection is a stunning achievement that will be appreciated by fans of her novels and poetry readers alike.

Legacy poems This book represents a legacy in poems - moral, ethical and practical education in verses. In Robin Wyatt Dunn's words: Osooha's language reads like a stilted nursery rhyme, doubly insisting both on the rights of the white settler to determine the destiny of her community (the book is dedicated to God and is scattered throughout with various Christian homilies), yet its deeper intention is profoundly anti-colonial, and a sharp critic of the state: Osooha observes: The world violates covenants And desecrates every altar Yet they all are communicants And none is a defaulter Here, everything is fake And anyhow, they fall brake Drop not your guard. These poems are a mix of compassion and angst, a homely mother reciting her rhymes who is concealing her deep mistrust and rage at the history which has raped her language and culture, insisted on its rights to do so, and continues to oppress her country and environment. But, as she observes, it is not ultimately the white settler who is to blame, but the world: we are all implicated in this suffering and desecration. Each poem in beautiful rhyme representing a letter addressed to her unborn child and safely placed in a file from a caring and protective mother is a skillfully crafted piece of work by the Nigerian poet Ngozi Olivia Osooha. The poems act as codes of conduct for childhood, adolescence and adulthood and can be collectively taken as a guide for facing the ups and downs of life. Original, captivating, heart touching and soul stirring Letter to My Unborn will certainly leave imprints of permanent ink in the readers' mind long after it has been read. This is truly a poetry collection of all-time, a shining star on each book lover's shelf. - Vatsala Radhakeesoon author of Depth of the River

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah.Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone."For a slightly smaller, less expensive Black & White Edition go here: https://www.createspace.com/3909405
