them, Inspector Bruno Schultz and Alfredo Mandolini have a score to settle, working relentlessly undercover, tracking down the Austrian and Italian abducted teenagers. This leads them into the depths of Tunisia, including the dangerous desert, arid but full of life. They travel in parts of Europe and in Tunisia, searching for leads to find these unfortunate females. The novel describes the inner workings of humans trafficking; the methods used to train young white teenagers to become obedient slaves, serving ruthless Arabs in the depths of the Middle East and in the desert. Both the human traffickers and the police will not spare their bullets, resulting in bloody battles, in order to achieve their goals.

Yesterday, Pippa and Clara were free. Today the pretty blonde twins are slaves, kneeling terrified, naked and ashamed at their masters' feet, together with their mother Annamarie and their friend Aimee. Their fate is to be transported beyond the borders of the Empire, beyond any hope of rescue, and sold in the slave markets of the rogue planet Akkadis, notorious for its slave brothels, breeding farms, harems, and its barbaric Arena. It is the year 2999. On the borders of Man's vast Empire, the Atkoi tribes, human but long since reverted to barbarism, are preparing for war. As a weak emperor tries in vain to appease them, an interstellar passenger liner is boarded, looted

and plundered. The most beautiful young women aboard, including Pippa and Clara Warburton and Aimee Pembroke, are spared - if 'spared' is the correct word. They begin a nightmare voyage to Akkadis. There they are paraded and exposed for sale in a humiliating public slave auction. They are trained to obey and serve their new masters and then sold, either to primitive desert tribesman or the planet's infamous 'pleasure houses' where slave girls dance naked on the stage for the leering audience and entertain customers upstairs for the price of a few solidi... and those who fail to meet their 'sales targets' face painful, public and humiliating discipline on the dreaded weekly Entertainment Night for the amusement of the baying audience. No allowance is made for shy, modest girls, new to the collar. To survive, they will learn to submit, and obey, and to please their new masters. There is only one man who can save them. His name is Scamander: Archpriest Peter Scamander. Scamander is on Akkadis on the Emperor's business, but he has reasons of his own for ignoring the girls' plight. They soon realise they are the helpless pawns in a power game, victims of a betrayal of cosmic proportions. But Akkadis holds a dark secret which may offer the girls a glimmer of hope - a chance for freedom and revenge - if they dare to seize it. Sometimes the best weapons of the weak are the mistakes of those who think they are strong.
