~~The Atrocity Exhibition is an experimental novel of linked stories or "condensed novels" by British writer J. G. Ballard . The book was originally published in the UK in 1970 by Jonathan Cape. After a 1970 edition by Doubleday & Company had already been printed, Nelson Doubleday, Jr. personally cancelled the publication and had the copies destroyed, fearing legal action from some of the celebrities depicted in the book.~~

~~For many, The Atrocity Exhibition is J.G. Ballard's most important work. It reads like an instruction manual in how to disrupt mass media and recontextualise technology, as the 'T' figure reconfigures the media landscape 'in a way that makes sense' - an aesthetic that's proved to be hugely influential, perhaps more so on artists and musicians than writers.~~

~~Such scenes and such prose are patently vulnerable to parody, but this silent helicopter and unconsummated conversation, like a film without the soundtrack, this matter-of-fact acceptance of a strange abstracted murder, are representative of the proliferation of bizarre scenes and events in The Atrocity Exhibition. Whereas in Ballard's earlier work the questionable status of conventional notions of reality was often a conclusion to be drawn, it here becomes a self-evident starting point ...~~
