Gabriel Garcia Marquez, winner of the 1982 Nobel Prize for Literature and author of One Hundred Years of Solitude, explores the loneliness of power in Autumn of the Patriarch. 'Over the weekend the vultures got into the presidential palace by pecking through the screens on the balcony windows and the flapping of their wings stirred up the stagnant time inside' As the citizens of an unnamed Caribbean nation creep through dusty corridors in search of their tyrannical leader, they cannot comprehend that the frail and withered man lying dead on the floor can be the self-styled General of the Universe. Their arrogant, manically violent leader, known for serving up traitors to dinner guests and drowning young children at sea, can surely not die the humiliating death of a mere mortal? Tracing the demands of a man whose egocentric excesses mask the loneliness of isolation and whose lies have become so ingrained that they are indistinguishable from truth, Marquez has created a fantastical portrait of despotism that rings with an air of reality. 'Delights with its quirky humanity and black humour and impresses by its total originality' Vogue 'Captures perfectly the moral squalor and political paralysis that enshrouds a society awaiting the death of a long-term dictator' Guardian 'Marquez writes in this lyrical, magical language that no-one else can do' Salman Rushdie

In this exhaustive and enlightening biography—nearly two decades in the making—Gerald Martin dexterously traces the life and times of one of the twentieth century ' s greatest literary titans, Nobel Prize-winner Gabriel Garc í a M á rquez. Martin chronicles the particulars of an extraordinary life, from his upbringing in backwater Colombia and early journalism career, to the publication of One Hundred Years of Solitude at age forty, and the wealth and fame that followed. Based on interviews with more than three hundred of Garcia Marquez ' s closest friends, family members, fellow authors, and detractors—as well as the many hours Martin spent with " Gabo " himself—the result is a revelation of both the writer and the man. " —Ann Patchett A propulsive and dazzling debut novel set against the backdrop of the Chinese Exclusion Act, about a Chinese girl fighting to claim her place in the 1880s American West Daiyu never wanted to be like the tragic heroine for whom she was named, revered for her beauty and cursed with heartbreak.
