A Practical Guide to ' Free-Energy ' Devices

“ Free-Energy Devices ” or “ Zero-Point Energy Devices ” are the names applied to systems which appear to produce a higher output power than their input power. There is a strong tendency for people to state that such a system is not possible since it contravenes the Law of Conservation of Energy. It doesn ' t. If it did, and any such

Free Energy Technology – Free Energy Generator

Most free-energy devices are just like that as it costs something to build them in the first place, but after that they run for free. This presentation is mainly for people who have never come across free-energy and know nothing about it. So, each chapter deals with just one device and tries to explain it clearly.
