The Hobbit Study Guide. Buy Study Guide. In terms of Tolkien's literary context, we should look to his twin focuses: philology (the study of languages) and philosophy (moral, rather than political ethics). The Hobbit is a literary exposition of Tolkien's personal grappling with the "big ideas" that have long engaged the great minds of Eastern and Western civilizations.

The Companions of the Ring have become involved in separate adventures as the quest continues. Aragorn, revealed as the hidden heir of the ancient Kings of the West, joined with the Riders of Rohan against the forces of Isengard, and took part in the desperate victory of the Hornburg. Merry and Pippin, captured by orcs, escaped into Fangorn Forest and there encountered the Ents. Gandalf returned, miraculously, and defeated the evil wizard, Saruman. Meanwhile, Sam and Frodo progressed towards Mordor to destroy the Ring, accompanied by Smeagol - Gollum, still obsessed by his "precious". After a battle with the giant spider, Shelob, Sam left his master for dead; but Frodo is still alive - in the hands of the orcs. And all the time the armies of the Dark Lord are massing.

Includes glossary of literary terms, sample student essay, step-by step-analysis, study questions, and review quizzes.

The authorized biography of the creator of Middle-earth. In the decades since his death in September 1973, millions have read **THE HOBBIT**, **THE LORD OF THE RINGS**, and **THE SILMARILLION** and become fascinated about the very private man behind the books. Born in South Africa in January 1892, John Ronald Reuel Tolkien was orphaned in childhood and brought up in near-poverty. He served in the first World War, surviving the Battle of the Somme, where he lost many of the closest friends he'd ever had. After the war he returned to the academic life, achieving high repute as a scholar and university teacher, eventually becoming Merton Professor of English at Oxford where he was a close friend of C.S. Lewis and the other writers known as The Inklings. Then suddenly his life changed dramatically. One day while grading essay papers he found himself writing 'In a hole in the ground there lived a hobbit' -- and worldwide renown awaited him. Humphrey Carpenter was given unrestricted access to all Tolkien's

papers, and interviewed his friends and family. From these sources he follows the long and painful process of creation that produced **THE LORD OF THE RINGS** and **THE SILMARILLION** and offers a wealth of information about the life and work of the twentieth century's most cherished author.

— Irish Book of the Year Finalist! — An Amazon Best Books of the Year So Far pick! A whimsical, touching debut about loneliness, friendship and hope... Vivian doesn't feel like she fits in - and never has. As a child, she was so whimsical that her parents told her she was "left by fairies." Now, living alone in Dublin, the neighbors treat her like she's crazy, her older sister condescends to her, social workers seem to have registered her as troubled, and she hasn't a friend in the world. So, she decides it's time to change her life: She begins by advertising for a friend. Not just any friend. She wants one named Penelope. Meanwhile, she roams the city, mapping out a new neighborhood every day, seeking her escape route to a better world, the other world her parents told her she came from. And then one day someone named Penelope answers her ad for a friend. And from that moment on, Vivian's life begins to change. Debut author Caitriona Lally offers readers an exhilaratingly fresh take on the Irish love for lyricism, humor, and inventive wordplay in a book that is, in itself, deeply charming, and deeply moving.

family, dating, school, work, small town life, and a serious case of "outcastitis."

A funny, heartwarming, and heartbreaking contemporary story about three boys, one teacher, and a day none of them will ever forget. Everyone knows there are different kinds of teachers. The boring ones, the mean ones, the ones who try too hard, the ones who stopped trying long ago. The ones you'll never remember, and the ones you want to forget. Ms. Bixby is none of these. She's the sort of teacher who makes you feel like school is somehow worthwhile. Who recognizes something in you that sometimes you don't even see in yourself. Who you never want to disappoint. What Ms. Bixby is, is one of a kind. Topher, Brand, and Steve know this better than anyone. And so when Ms. Bixby unexpectedly announces that she won't be able to finish the school year, they come up with a risky plan—more of a quest, really—to give Ms. Bixby the last day she deserves. Through the three very different stories they tell, we begin to understand what Ms. Bixby means to each of them—and what the three of them mean to each other. John David Anderson is the author of *Sidekicked* and *The Dungeoneers*, proven winners with middle grade readers, and *Ms. Bixby's Day* is no exception.

Join the journey through Middle-earth in the study guide of these two epic fantasies suggestive of life in medieval days, a classical battle between good and evil and the quest for a magical ring. This guide covers all four volumes of this unforgettable fantasy.
