Offers brief and sarcastic explanations of topics related to sex, relationships, and love.

A Pocket Dictionary of the Vulgar Tongue is a profane guide to the slang from the backstreets and taverns of 18th-century London. This slang dictionary gathers the most amusing and useful terms from English history and helpfully presents them to be used in the conversations of our modern day. Originally published in 1785, the Classical Dictionary of the Vulgar Tongue was one of the first lexicons of English slang, compiled by a militia captain who collected the terms he overheard on his late-night excursions to London's slums, dockyards, and taverns. Now the legacy lives on in this colorful pocket dictionary. • Learn the origin of phrases like "birthday suit" and discover slang lost to time. • An unexpected marriage of lowbrow humor and highbrow wit Discover long lost antique slang and curse words and learn how to incorporate them into modern conversation. A Pocket Dictionary of the Vulgar Tongue is perfect for enlivening contemporary conversation with historical phrases; it includes a

topical list of words for money, drunkenness, the amorous congress, male and female naughty bits, and so on. • A funny book for wordplay, language, swearing, and insult fans, as well as fans of British humor and culture • Perfect for those who loved How to Speak Brit: The Quintessential Guide to the King's English, Cockney Slang, and Other Flummoxing British Phrases by Christopher J. Moore; Knickers in a Twist: A Dictionary of British Slang by Jonathan Bernstein; and The Official Dictionary of Sarcasm by James Napoli

From the author of the bestselling Snark series comes the premiere guide to satire, sneering, jeering, and mockery in their finest forms. A surviving knight of many a verbal joust, Larry Dorfman has become an expert at backhanded sass and cathartic banter. Featuring life lessons from the master himself, as well as quotes and quips by some of history's sarcastic greats, The Sarcasm Handbook teaches readers how to deflect stupidity and express their inner dissatisfaction with a keen sensibility, hushing subtlety, and wisecrack wit. Included in these invaluable teachings are chapters on achieving the right tone, sarcastic bastards in history, as well as scenarios depicting some of the greatest moments in sarcasm. So pick up your copy today and start learning the art of disparagement through passive aggressiveness!

"Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work." Bierce's groundbreaking Devil's Dictionary had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical The San Francisco Illustrated Wasp. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce's collection get published by Doubleday, under the name The Cynic's Word Book—the publisher not wanting to use the word "Devil" in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the Devil's Dictionary as we know it was published in complete form as part of Bierce's collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only "Demon's Dictionary" column, including Bierce's classic definition of A: "the first letter in every properly constructed alphabet." Bierce enjoyed "quoting" his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this

Read Online The Official Dictionary Of Sarcasm A Lexicon For Those Us Who Are Better And Smarter Than Rest You James Napoli

book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—"jape" of course having the definition: "a practical joke." This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book's humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Aaron Smith returns with his second entry entitled "The Art Of Sarcasm" This picks up where "Way Of The Asshole" left off. Using satarical humor. Mr. Smith enables the reader to utilize there talents within by using banter and witty puns that some may have not known even existed. Sarcasm has been put out in many forms but Aaron does it in a way that is not only funny but enlightening. it is a true hilarious take on life, love and all in between.

It's clear: today, idiots are everywhere. So James Napoli, esteemed director of the National Sarcasm Society, has created a smart-aleck dictionary that defines pop-culture touchstones and throws shade on the hopelessly foolish. With copiously illustrated snarky entries on everything from "Alternative Facts" and "Congress" to "Cable News" and "Uber," The Official Dictionary of Idiocy brings much-needed laughter to these crazy days.

If you can't say something nice...then say it with someecards! This hilarious all-occasion compilation has a card for anyone, any time of the year. No matter what social obligation you need to attend to—birthdays, apologies, anniversaries, congratulations, get well, graduations, and weddings—this book has you covered.

What do Dorothy Parker, Groucho Marx, H. L. Mencken, Oscar Wilde, Robert Benchley, George Bernard Shaw, Jules Feiffer, Bill Hicks, Bill Maher, Phyllis Diller, Édith Piaf, W. C. Fields, Mark Twain, Voltaire, Charles Bukowski, and countless others have in common? Not a thing, other than each was a brilliantly snarky wit and all are included in this compendium of the original snark handbooks. Hear wit, sarcasm, and offhanded comments from: The Snark Handbook: A Reference Guide to Verbal Sparring The Snark Handbook: Insult Edition The Snark Handbook: Sex Edition Snark! The Herald Angels Sing The Snark Handbook: Politics and Government Edition The Snark Handbook: Clichés Edition The Snark Handbook: Parenting Edition Isn't that enough!?!? A minor literary success (beloved by both minors and miners), the snark handbooks have cemented their position in the literary world, high atop toilet seats everywhere. Now in one great big edition, this lofty tome promises to fulfill the need to chuckle,
