"Admired as a visionary leader and brilliant business mind, feared as a ruthless and formidable competitor, and loathed as an egomaniac with an explosive temper, Oracle founder and CEO Larry Ellison has emerged as one of the most controversial figures in a sea of brilliant, eccentric Silicon Valley luminaries. But for such a high-profile character, Ellison maintains an enigmatic air, and his superachieving, multimillion-dollar company remains a rarely studied entity. Now, The Oracle of Oracle goes behind the scenes to uncover the breakthrough ideas and winning strategies that have propelled Oracle's phenomenal growth and breathtaking success. The book walks readers through Oracle's fascinating history since its relational database hit the market in 1977, identifying and explaining strategies such as: \* Forge ahead and fix weaknesses--lessons from the early 90s when Oracle derailed, but was nursed back to health. \* Grow the Oracle way--by making new products, not acquiring new companies. \* Crush the competition--it's not enough to succeed; all others must fail. \* Sales today make markets tomorrow--tap into the sales force to develop products, promote a vision, beat competitors. The Oracle of Oracle is an intriguing, illuminating read for entrepreneurs who wonder what it takes to build a world-class company from scratch...for managers and executives who want to integrate Oracle's philosophies and culture into their own...and for business readers who relish an up-close report from the battle zones of the software industry."

New York Times and USA Today Best Seller! Discover the amazing secret of the ages...and the mystery of your life! The Oracle will reveal the mystery behind everything...the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of *The Stranger*, *The Lost City*, *The Man With the Measuring Line*, *The Land of Seven Wells*, *The Birds*, *The Number of the End*, *The Man in the Black Robe*, *The Prophet's Song*, *The Matrix of Years*, *The Day of the Lions*, *The Awakening of the Dragon*, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, *The Oracle* will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. the role and significance of this phenomenon. An investigation on a grand scale, it encompasses literature, anthropology, religion, and science, articulating the essential place dreams occupy in human culture and how they functioned as the catalyst that compelled us to transform our earthly habitat into a human world. From the earliest cave paintings—where Sidarta Ribeiro locates a key to humankind's first dreams and how they contributed to our capacity to perceive past and future and our ability to conceive of the existence of souls and spirits—to today's cutting-edge scientific research, Ribeiro arrives at revolutionary conclusions about the role of dreams in human existence and evolution. He explores the advances that contemporary neuroscience, biochemistry, and psychology have made into the connections between sleep, dreams, and learning. He explains what dreams have taught us about the neural basis of memory and the transformation of memory in recall. And he makes clear that the earliest insight into dreams as oracular has been elucidated by contemporary research. Accessible, authoritative, and fascinating, *The Oracle of Night* gives us a wholly new way to understand this most basic of human experiences.

The author of the New York Times bestsellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now opens up the jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-time prophecy, and much more.

A gripping modern-day detective story about the scientific quest to understand the Oracle of Delphi Like *Walking the Bible*, this fascinating book turns a modern eye on an enduring legend. The Oracle of Delphi was one of the most influential figures in ancient Greece. Human mistress of the god Apollo, she had the power to enter into ecstatic communion with him and deliver his prophecies to men. Thousands of years later, Pulitzer Prize-winning journalist William J. Broad follows a crew of enterprising researchers as they sift through the evidence of history, geology, and archaeology to reveal—as far as science is able—the source of her visions.

"Oracle carefully explores the dangers and benefits of diet and exercise books, sex manuals, and self-actualization schemes. It is a timely and fascinating work, and will be of great interest to health-care providers and thoughtful consumers." --Joseph D. Matarazzo, American Psychological Association
