This prayer is the special prayer of the Lord, and may be regarded as the sole example furnished by the evangelists of our Lord's method of prayer. The thanksgiving in Matthew 11:25 is the only other instance of any extent in the report of the prayers of Jesus, but even that is brief compared to what is here furnished. The fullness of this prayer clearly shows that it was uttered in the hearing of the disciples.

This “little book with a big message” will completely transform your understanding of what Jesus meant when he answered the request, “Lord, teach us to pray.” He answered by reciting what we now have come to know as the Lord’s Prayer, in the common language of his day, Aramaic. Within these short pages, you will journey back to hear the original words for yourself and, in doing so, will receive the true essence of Jesus’ message regarding how we should pray. You will receive the expanded meanings and reach new depths in understanding. But, rest assured, this is only the beginning! For just as the early disciples discovered, reciting the prayer in Aramaic ignites a spark—a spark that awakens a remembrance of our innate divinity as children of the living God. And as this remembrance begins to resound in the silent chambers of the heart, the prayer begins to inform every aspect of daily life. Nothing is the same. We have been set afire by love everlasting and left undone, and can only release our own, involuntary, ecstatic cry. This is what it means to pray!

Millions of Christians believe that prayer is the breath of the soul, on which depends the quality of their spiritual life. The reality, however, is that genuine prayer is something we need to learn repeatedly. We share the helplessness of the disciples who asked Jesus, ‘Lord, teach us to pray’ (Luke 11:1). This volume focuses on the praying of Jesus Christ in the New Testament. The Seven Prayers of Jesus investigates his prayers in their literary and socio-historical context, and points to their theological significance and relevance for today. Laszlo Gallusz hopes that this work will not only provide a fresh biblical perspective on the prayers of Jesus but also become a source of inspiration for our own prayer lives. ‘Dr Gallusz’s . . . engagement with Scripture shows his mastery of the biblical topic. Yet he also writes with the heart of a pastor, applying his insights to the life of the individual Christian and also that of the church. This book will enrich the intellect and nurture the spirit of all those who read it. I recommend it wholeheartedly.’ Laurence A. Turner, Principal Lecturer Emeritus in Old Testament, Newbold College, Bracknell, UK

John Indermark helps readers walk the prayer paths of Jesus to gain clear insights into the life of prayer. With a fresh clarity, readers will see that Jesus prayed at all times and in all places--for example, in the solitude of the desert and in the midst of crowds, on the mountaintop and in the garden. Helping readers to move beyond these times and places, Indermark invites all to follow the example of Jesus and to learn deeper ways to connect with God. Written as a six-week study, each section has seven readings. Each reading has a related prayer exercise to help readers grow in prayer and in the model of Jesus. A guide for small groups is included in the book. Indermark writes from a very personal perspective and includes stories from his family and chruch life that are always relevant to the subject. He begins his exploration of the prayers of Jesus by writing about a chruch camp experience, a time when he was to give the evening devotion around the campfire. "Why I even recall that devotion is this: It served as the first time in my life I felt a sense of calling to Christian ministry." Always gentle and inviting, Indermark's writing helps readers to see new depth in the prayers of Jesus and new ways that all might pray.

This series of Bible Study guides with DVDs provides the depth for a more thorough study of the Bible, allowing participants to make deeper connections with a knowledge of historical background of the Bible, biblical text, and real life applications.
