The Pub A Cultural Institution From Country Inns To Craft ...

A cultural institution or cultural organization is an organization within a culture / subculture that works for the preservation or promotion of culture. The term is especially used of public and charitable organizations, but its range of meaning can be very broad. Examples of cultural institutions in modern society are museums, libraries and archives, churches, art galleries .

Cultural institution - Wikipedia

England has, over the years, become known for its pub culture. Pubs (short for Public Houses) grace almost every street and are known for their tradition and heritage. They date back to the time of Roman occupation in England, when the Italians had their taverns in which they would drink alcoholic beverages and socialise.
