THE SHAMBLING GUIDE TO NEW  
YORK CITY is a high-concept, high-  
comedy romp through the  
supernatural underworld. It's like  
nothing you've ever read before - and  
that's a good thing. (Seanan McGuire  
(aka Mira Grant, author of FEED and  
PARASITE))

The Shambling Guide to New York City (The Shambling Guides ...  
The Shambling Guide to New York City is yet another in a long line of books which has the supernaturals filling in for marginalized people. When Zoe uses the term monsters to refer to the supernaturals that she is working with, she is told, "'Monsters' is pejorative. Nonhumans go by the term 'coterie.'".

The Shambling Guides Series by Mur Lafferty

The Shambling Guide to New York City rounds up the biggest cast of the undead and never-quite-alive ever to appear in a single novel, along with a wisecracking heroine whose picture belongs over the dictionary entry for spunky. This is a comic tour-de-force by a writer who lives and breathes popular culture.

I really enjoyed The Shambling Guide  
to New York City, which was a fun,  
light urban fantasy about a writer  
who gets involved with publishing  
travel guides for the supernatural.  
The second book in the series stays  
with the conceit but goes more  
serious than fun in a setting that  
might have called for more levity.
