The Maya highlands and Pacific coast Little is known about the Guatemalan highlands between the demise of the Late Formative Miraflores culture and the onset of the Early Classic. But at the ancient site of Kaminaljuyú, on the western side of Guatemala City, a group of invaders from Teotihuacán built a miniature replica of their capital city.

young men who are entering into the cargo system for the first time. This term lasts one year. At this level the young men are required to do menial tasks for older males in the system, running errands, and tending to higher members ' beck and call.

~~The Highland Maya Cargo System—Step by Step~~

Nevertheless, timekeeping was undeniably an important, even central, activity of the ancient Maya, and much of their history is unintelligible without reference to it. The value of Professor Tedlock's work, and of this book in particular, is found in the material that she can present to Mayan archeologists and epigraphers to help them understand their source material.
