Hugh Jackman, Serena Williams, and Anthony Hopkins are among the many celebrities who have turned their lives around using the principles taught by success coach Tony Robbins. Thousands of ordinary people have used these innovative ideas to produce achievements beyond their wildest dreams. How did they do it? In his groundbreaking book, Manny Ibay, a Los Angeles trial attorney, tells how he applied the Robbins principles, step-by-step, to remake his life. Actual excerpts from Mr. Ibay's success journal chronicle his ten-year experience with Robbins' books, recordings and live seminars. During this period, Mr. Ibay moved from a \$1000 per month job he hated to create his dream life and become master of his own destiny.

Accelerate your journey to financial freedom with the tools, strategies, and mindset of money mastery. Regardless of your stage of life and your current financial picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron's (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled with real-life success stories and vital lessons, such as: • Why the future is better than you think and why there is no greater time in history to be an investor • How to chart your personally tailored course for financial security • How markets behave and how to achieve peace of mind during volatility • What the financial services industry doesn't want you to know • How to select a financial advisor that puts your interests first • How to navigate, select, or reject the many types of investments available • Success without fulfillment is the ultimate failure! Financial freedom is not only about money—it's about feeling deeply fulfilled in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money." ~Jonathan Clements, Former Columnist for The Wall Street Journal "Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest financial minds to the average investor is truly inspiring." ~Alan Greenspan, Former Federal Reserve Chairman "Tony is a force of nature." ~Jack Bogle, Founder of Vanguard

Guides readers on the path to financial freedom, discussing how to not only weather but gain from fluctuations in the stock market, how to get more out of a 401k, and how to avoid paying hidden fees.

Hailed by Tony Robbins as the "definitive breathwork handbook," Just Breathe will teach you how to harness your breath to reduce stress, increase productivity, balance your health, and find the path to spiritual awakening. Big meeting jitters? Anxiety over a test or taxes? Hard time focusing? What if you could control your outcomes and change results simply by regulating your breath? In this simple and revolutionary guide, world-renowned pioneer of breathwork Dan Brulé shares the Breath Mastery technique that has helped people in more than fifty countries reduce anxiety, improve their health, and tap infinite stores of energy. Just Breathe reveals the truth that elite athletes, champion martial artists, Navy SEAL warriors, first responders, and spiritual yogis have always known-when you regulate your breathing, you can moderate your state of well-being. So if you want to clear and calm your mind and spark peak performance, the secret is just a breath away. Breathwork gives you the tools to achieve benefits in a wide range of issues including: managing acute/chronic pain; helping with insomnia, weight loss, attention deficit, anxiety, depression, trauma, and grief; improving intuition, creativity, mindfulness, self-esteem, and leadership; and much more. Recommended "for those who wish to destress naturally" (Library Journal), Just Breathe will help you utilize your breath to benefit your body, mind, and spirit.
