Deneys Reitz was educated at Grey College, Bloemfontein. While in exile in Madagascar, he wrote about his experience of the Second Boer War (1899 – 1902). When it was eventually edited and published in 1929 as Commando: A Boer Journal of the Boer War, it still had the freshness and detail of an account written soon after the war. The account is unique in that he was present at virtually every major event of the war.

The Boer War of 1899 is perhaps a textbook example of dualities in war, and Deneys Reitz ' s brilliantly vivid account: Commando: A Boer Journal of the Boer War embraces and examines these inherent polarities. Despite being published in 1929, it still reads as fresh as if it were published today, working both on the level

Commando is the superb memoir originally written by Deneys Reitz just after the war, when he was barely 21, though it was not published until 1929. It is now reissued as a part of a trilogy under the title Adrift on the Open Veld, with his subsequent memoirs Trekking On and No Outspan...Simply as a document of men at war, Commando is matchless.
