A primer on recognizing the power and promise of the Preamble and the Constitution during this conservative assault on our founding text “ Over the course of American history, there have been great gains in individual freedom and enormous advances in equality for racial minorities, women, and gays and lesbians, though obviously much remains to be done. Now we are at a moment with a president who is not committed to these values and face the reality of a Supreme Court that will likely be more hostile to them for the foreseeable future. ” --From the Preface Worried about what a super conservative majority on the Supreme Court means for the future of civil liberties? From gun control to reproductive health, a conservative court will reshape the lives of all Americans for decades to come. The time to develop and defend a progressive vision of the U.S. Constitution that protects the rights of all people is now. University of California Berkeley Dean and respected legal scholar Erwin Chemerinsky expertly exposes how conservatives are using the Constitution to advance their own agenda that favors business over consumers and employees, and government power over individual rights. But exposure is not enough. Progressives have spent too much of the last forty-five years trying to preserve the legacy of the Warren Court ’ s most important rulings and reacting to the Republican-dominated Supreme Courts by criticizing their erosion of rights—but have not yet developed a progressive vision for the Constitution itself. Yet, if we just look to the promise of the Preamble—liberty and justice for all—and take
