Step-by-Step Guide

WordPress 101

WordPress is a content management system. When it's

running on a website, it allows you to install themes, add pages

and blog posts, and install a variety of additional tools called

plugins that help you manage your site.

WordPress is one of

Thomas ...

Step 1: Choose Blog
WordPress as your
website platform.

Truth be told, there
are many website
platforms that you can

Read PDF

Wordpress

use when building a new site. Content Management

Systems (CMS) is what they're usually called. The idea of a CMS is to give you some easy-to-use tools so that you're able to edit your site's content without any knowledge of coding.
